The home has the natural warmth of wood throughout, plus, a woodburning stone fireplace that can heat the whole house. On the main floor there is one bedroom, plus an office that could be used for a bedroom if needed. The upstairs bedroom has its own balcony, with a view towards the mountains to the North. You also have outside art studio hidden away in the Mountain Laurel. This is a great place to begin making fond memories of good times in the beautiful mountains of South Carolina.
